MINUTES

David Racker made a motion to approve the minutes as written for December 2007. Lars Anderson seconded the motion and all members voted in favor.

DISCUSSION ITEMS:

Education and Enforcement Fund

The balance of the Education and Enforcement Fund was reviewed. Item was noted with no action taken.

CLARB Spring Meeting

Lars Anderson reviewed the minutes from the CLARB Spring Meeting. Items discussed were (1) LACES (Landscape Architecture Continuing Education System), (2) AMS (Assoc. of membership Database),

(3) Notes from the CLARB Region V Meeting and (4) Strategic Thinking of the Regional Meeting. It was noted that there appears to be a possible conflict of interest between CLARB Certification and Continuing Education. CLARB jointly certifies with ASLA. It was indicated by the board to have Dennis Meservy check into the continuing education administered by CLARB and ASLA with these concerns. Randall Baoudrero stated he would check for the standards and information with AIA. It was also noted to get updates on any irrigation issues. These will be agenda items at the next meeting.

In conjunction with the discussion on the CLARB Spring Meeting, it was recommended by the board that all correspondence from CLARB go to the bureau then be passed on to the board members to review. John Ellsworth made a motion to have Boudrero initiate contact with CLARB to make contacts directly to the bureau manager or appropriate person in the bureau. David Racker seconded the motion and all members voted in favor.

Boudrero suggested Dennis Meservy write a letter stating the difference between registered and licensed Landscaped Architects and have this go out on the ASLA Newsletter. David Stanley suggested that Boudrero draft the letter and have Meservy initial it.

CLARB NATIONAL MEETING

It was indicated by the board to have Lars Anderson attend to the CLARB National Meeting and have John Ellsworth as a back up. It was also noted by the board to have Dennis Meservy attend this meeting.

LEGISLATION UPDATES

According to Boudrero ASLA has not sent out the continuing education survey ASLA has provided the acclamation to go forward for the two year internship which would be for the next legislative session.

CHANGE OF MEETING SCHEDULE
